Continued Professional Development

Headache Mini Masterclass for GPs and CHoC Clinicians

Thursday 22nd February 2018

CHOC Training Facility, 2nd Floor, Capital Building, Hilltop Heights, London Road, Carlisle, CA1 2NS
(1300-1630)

Headache is a common presentation in primary care which is thankfully only rarely associated with serious pathology. During this Mini Masterclass, Dr Jitka Vanderpol and Specialist Nurse Susan Hurst will aim to help clinicians differentiate the serious from the more benign and, illustrated by patient cases, provide advice and opportunities to discuss management options.

CPD Credits: 3.5 hours

Book early to secure a place!

Book via the CHOC website or Contact Zoe Heaven at the CHOC Office in Carlisle (Zoe.Heaven@choc.nhs.uk) or 01228 514830

Speakers:

Dr Jitka Vanderpol MD FRCP MBA has worked as a Consultant Neurologist in the UK since 2005. She is an innovative award winning clinician and researcher, recognised nationally and internationally as an expert in the headache and migraine field, leading on cutting edge headache research. Awarded 1st Place Category Innovative Technology or Device at The Bright Ideas in Health Awards 2015. 6 clinical excellence awards (2013, 2015 and 2017) for the excellent service delivered and research work.

She will be joined by Susan Hurst who is a Headache Specialist Nurse working at the Royal Victoria Infirmary in Newcastle-upon-Tyne.
