

Continuing Professional Development

Out of Hours Clinical Supervisors Full Day Induction and Half Day Update

Friday 24th January 2020

CHoC Training Facility, 2nd Floor, Capital Building, Hilltop Heights, London Road, Carlisle, CA1 2NS

Full Induction 09:00 (arrival) for prompt 09:15 start
Experienced OOH Clinical Supervisors are asked to join us for their
Half Day Update 13:30 (arrival) for prompt 13:45 start
Both sessions will end at 17:00

This session will cover the requirements set out by Health Education England working across the North East & North Cumbria for Out of Hours Clinical Supervisors working in any Out of Hours organisation within the region.

The morning session will cover:

- Roles and expectations
- A little bit of relevant educational theory
- Feedback theory & a chance to practice giving feedback well

The afternoon session will cover:

- GP Trainee requirements (recap OOH training requirements & eportfolio)
- Completion of documentation with opportunities to benchmark
- OOH Clinical Supervisor requirements (before, during and after roles)
- Written feedback with opportunities to benchmark
- How to address appraisal / CPD requirements
- What to do / who to contact if there are any problems

Speakers:

Dr Tim Sanders – CHoC Clinical Training Lead, Training Programme Director NCGPTP and experienced OOH Clinical Supervisor

Dr Helen Horton – HEENE Lead for OOH Clinical Supervisor Induction, experienced OOH Clinician and GP Trainer

CPD Credits: Full Day 6.5 hours, Half Day 3 hours
